

Friends of Presqu'ile Volunteer Opportunity Environmental Programs

Fundraising Team

The Friends is a charitable organization that depends on willing donors and government grants to carry out its programs. A variety of fundraising events and programs take place all year long. We would like to establish a team to coordinate our current efforts and seek new funding sources. We are seeking a leader and members with a willingness to help The Friends achieve its financial goals.

Ideally one member would focus on grants assisting in identifying funding sources, preparing and submitting applications and administering the funds and filings. Experience in this field would make the job easier, but attention to detail and a willingness to learn are the key requirements.

Contact us at info@friendsofpresquile.on.ca with Fundraising Team as the subject.
