Lighthouse Interpretive Centre

Lighthouse Interpretive Centre Helpers

Help Park visitors to enjoy the displays at the centre while promoting The Friends and the Park. Selling raffle tickets and memberships in The Friends will offer you additional opportunities to interact with visitors. Shifts can be full or half days during July and August. Only a few hours of your time would be needed, but it will really help to support our programs.

Contact our volunteer co-ordinator Nancy Sutton on 613 475 9817.
