

Kids 'n Nature

GROUP OUTREACH AT PRESQU'ILE PROVINCIAL PARK

CONNECT WITH NATURE

The Kids 'n Nature program encourages children to understand and care for our region's rich biodiversity - investigating how ecology works, why biodiversity is important, and why its preservation affects humans individually and collectively.

Our programming explores: food chains, habitat health and interconnectedness, species and habitat sustainability, human benefit, and stewardship..

CURRICULUM-BASED PROGRAMS

IN-CLASS VISIT: BRING PRESQU'ILE TO YOUR CLASS

Our interpreter can come to your classroom to prime students for their field trip. The interactive activities provided can be scheduled for 30 to 60 minutes.

IN-PARK VISIT: BRING YOUR CLASS TO PRESQU'ILE

Participate in a guided walk with with our interpreter in the morning or afternoon (please allow 2 hours.) Optional extras include self guided free time in the park or interpreter-led games.
