

**DOREEN CABLE,  
CORPORATE SECRETARY**

Doreen, along with her husband Ken and son Brett, moved to Brighton in January, 2010 from Toronto, Ontario.

For over 35 years, Doreen had a very diverse and successful career working for Canada's performing rights society, SOCAN. During that time she was afforded opportunities to learn and develop skill sets relative to most of SOCAN's business operations. Having experience in managing people and processes, finance (including budgeting), development of

business policies and procedures, and strong administrative skills. She sat on various Supervisory Boards, Working Groups and Executive Committees. In 2006 she retired as VP, External/International Relations.

Since moving to Brighton, she has volunteered with various community groups/ organizations. In December 2018, she joined the Christmas at Presqu'ile Committee and was extremely impressed with the dedication and work ethic of this group and their commitment. This experience prompted her to learn more about The Friends of Presqu'ile Park and how she might be involved in furthering their goals.
