

# SPECIES AT RISK DAY

**Saturday August 17, 2019**

- |                    |  |                       |
|--------------------|--|-----------------------|
| <b>10AM - 12PM</b> | <b>Mini Bio Blitz and Scavenger Hunt</b>   | <b>@ Atkin's Lane</b> |
|                    | Help the park naturalists find as many species as they can!  |                       |
| <b>2PM - 4PM</b>   | <b>Fun Fair</b>  | <b>@ Amphitheatre</b> |
|                    | Drop by to play games, make a craft, or learn more about pollinators and species at risk in the park.  |                       |
| <b>7 PM</b>        | <b>Live Animal Presentation</b>  | <b>@ Amphitheatre</b> |
|                    | Special Guests <b>Sciensational Ssnakes</b> will be here to show us some live species at risk in Ontario. You will have the opportunity to touch live animals! |                       |
