

Sail with me to adventure!

Hi there! I'm Simon, the Sailor. Perhaps you met my friend, Gulliver, the Ring-billed Gull in our first **Presqu'ile for Kids** book. It was his job to help you explore all of the different habitats in our wonderful park. You might even have become a **Nature Explorer!**

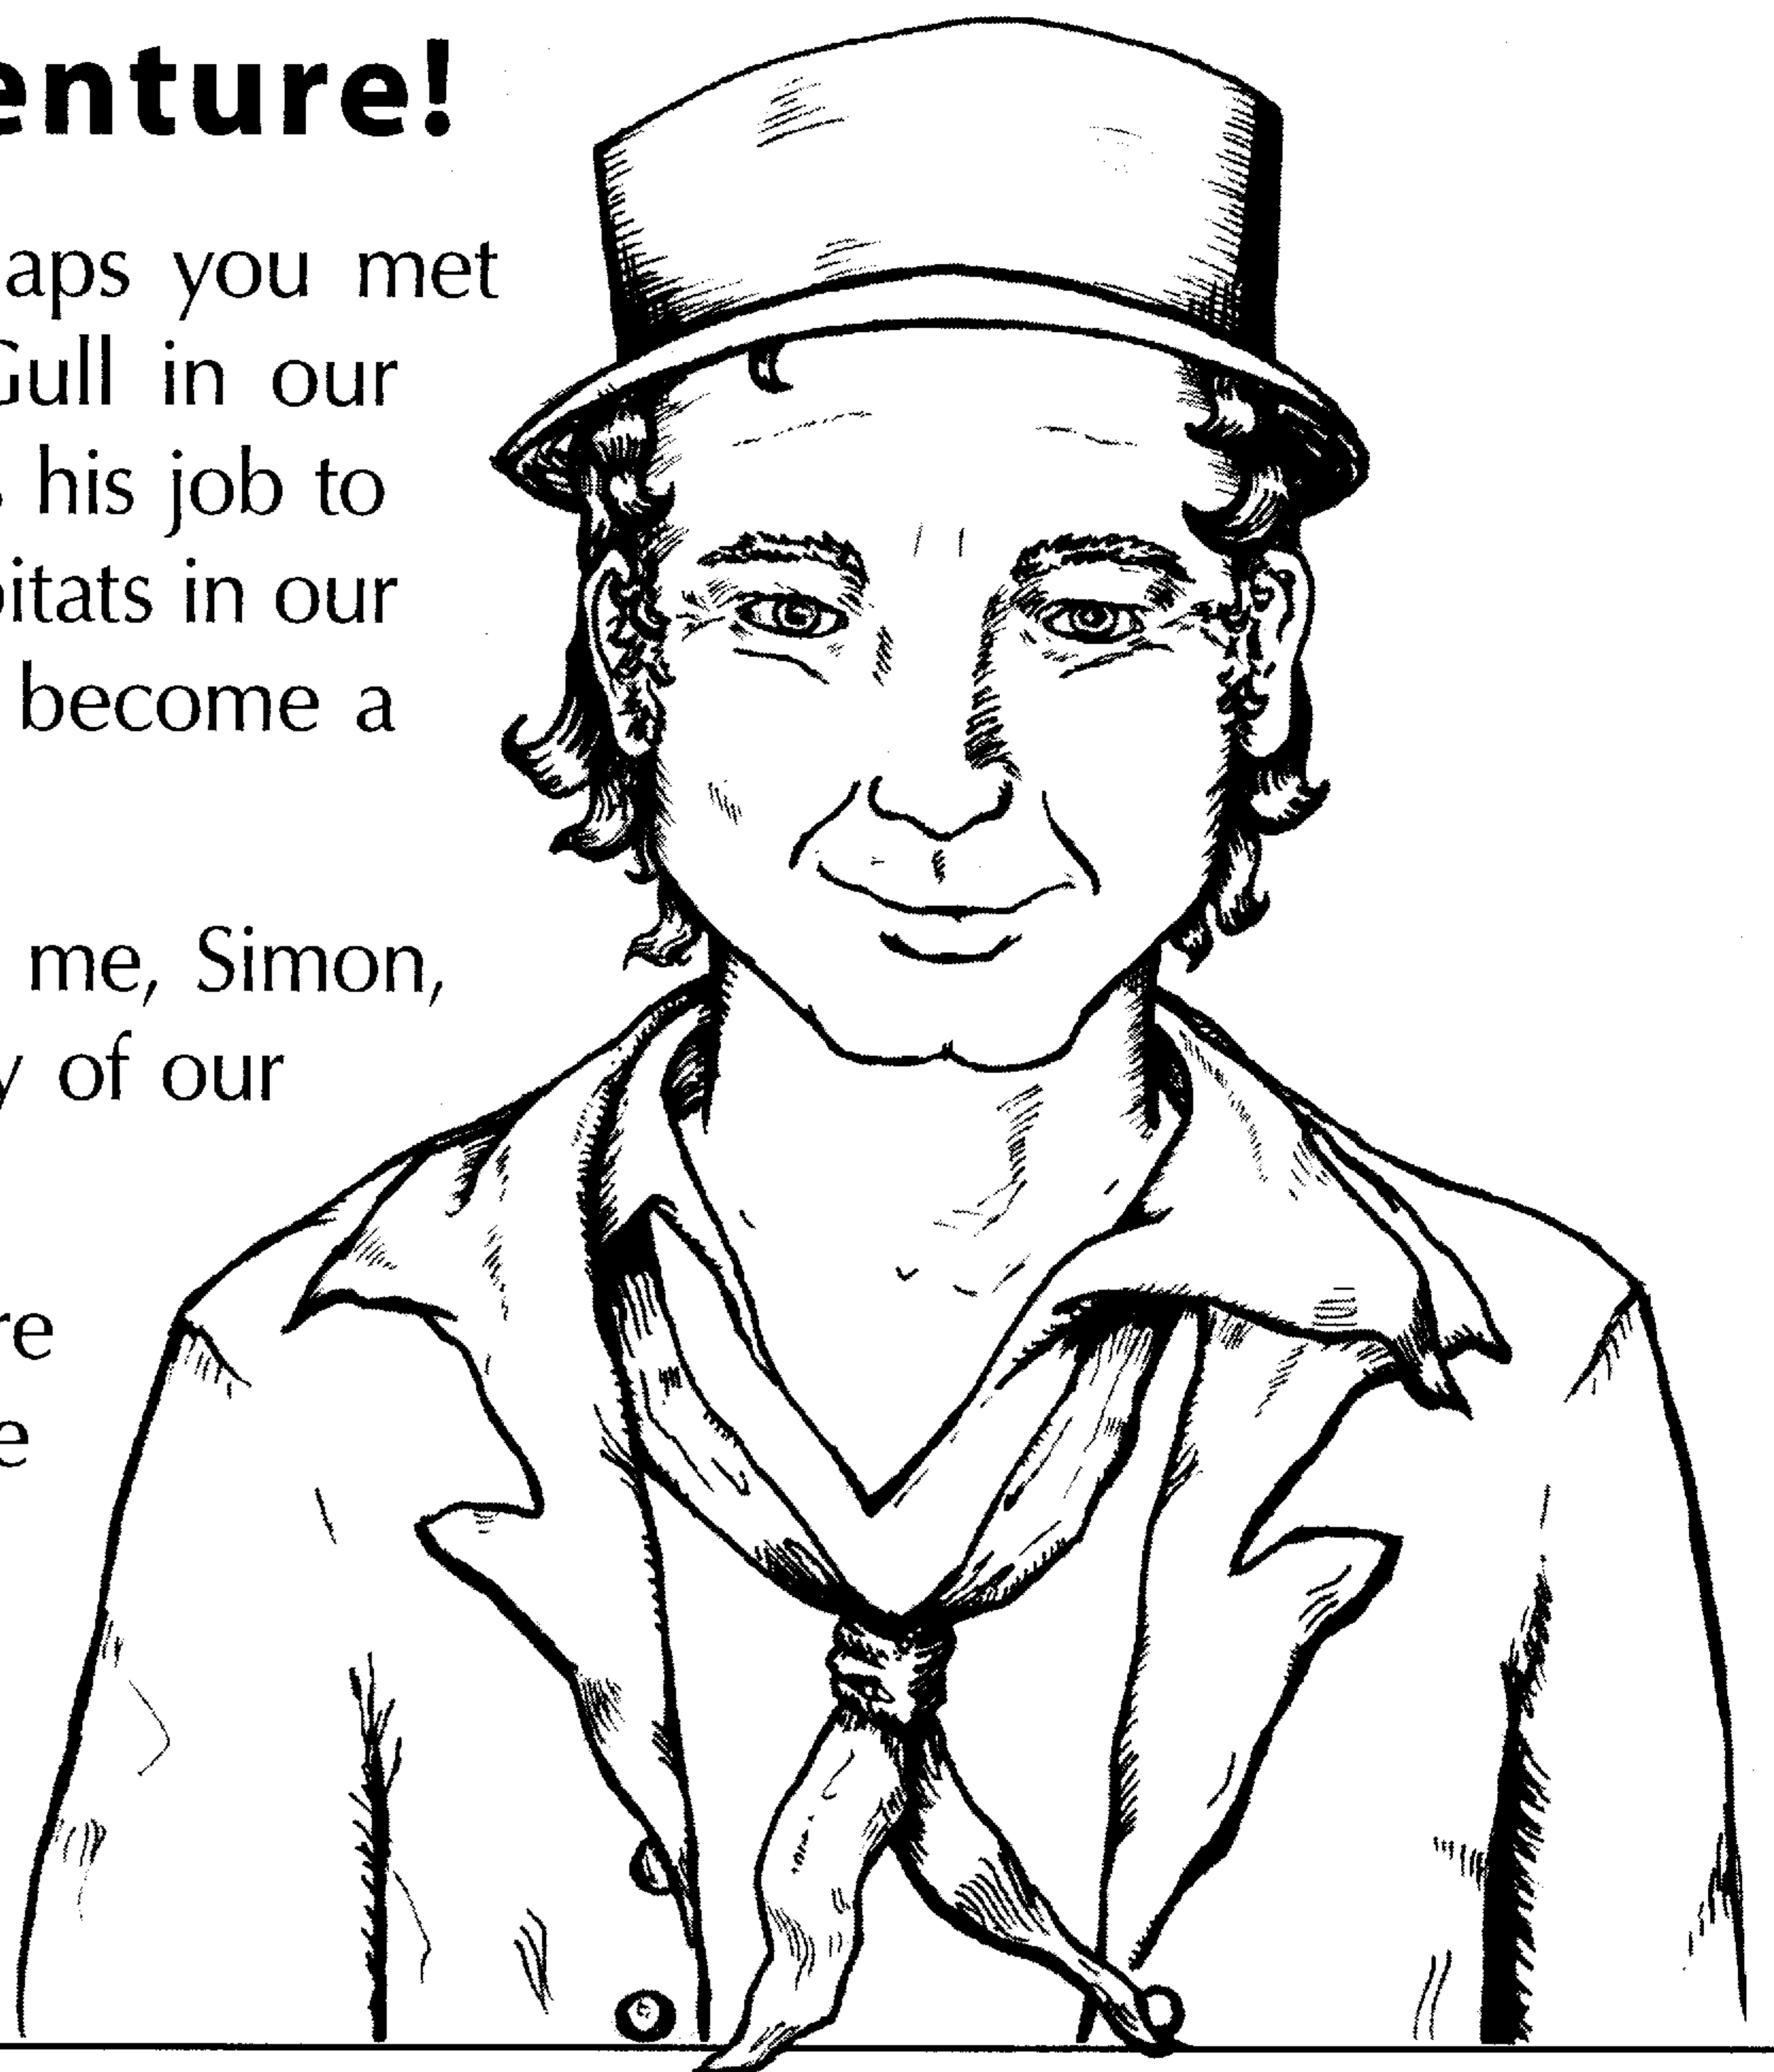

In this book, I invite you to come with me, Simon, the Sailor, to learn all about the history of our area.

Did you know that long ago there were plans to build a major town on the Presqu'ile Peninsula?

The sinking of His Majesty's Ship (HMS) Speedy brought an end to those plans . . . but wait, I'm getting ahead of my story.

I have charted a course for adventure around Brighton and Presqu'ile on our ship HMS Bronte. Not only does this ship float, it also travels through time!

You will find many things to do on our adventure. The different types of activities are listed below.

Come aboard and together we shall learn how this area has changed over the last 200 years. We will learn about lighthouses, shipwrecks and even dancing!

Remember to bring a pencil and paper. Complete all of these activities and become a

Presqu'ile History Explorer!

Activity: Do It!

There are lots of fun activities to experience on our voyage. My special sailor's knot gives you instructions for the activities that you will find on each page.

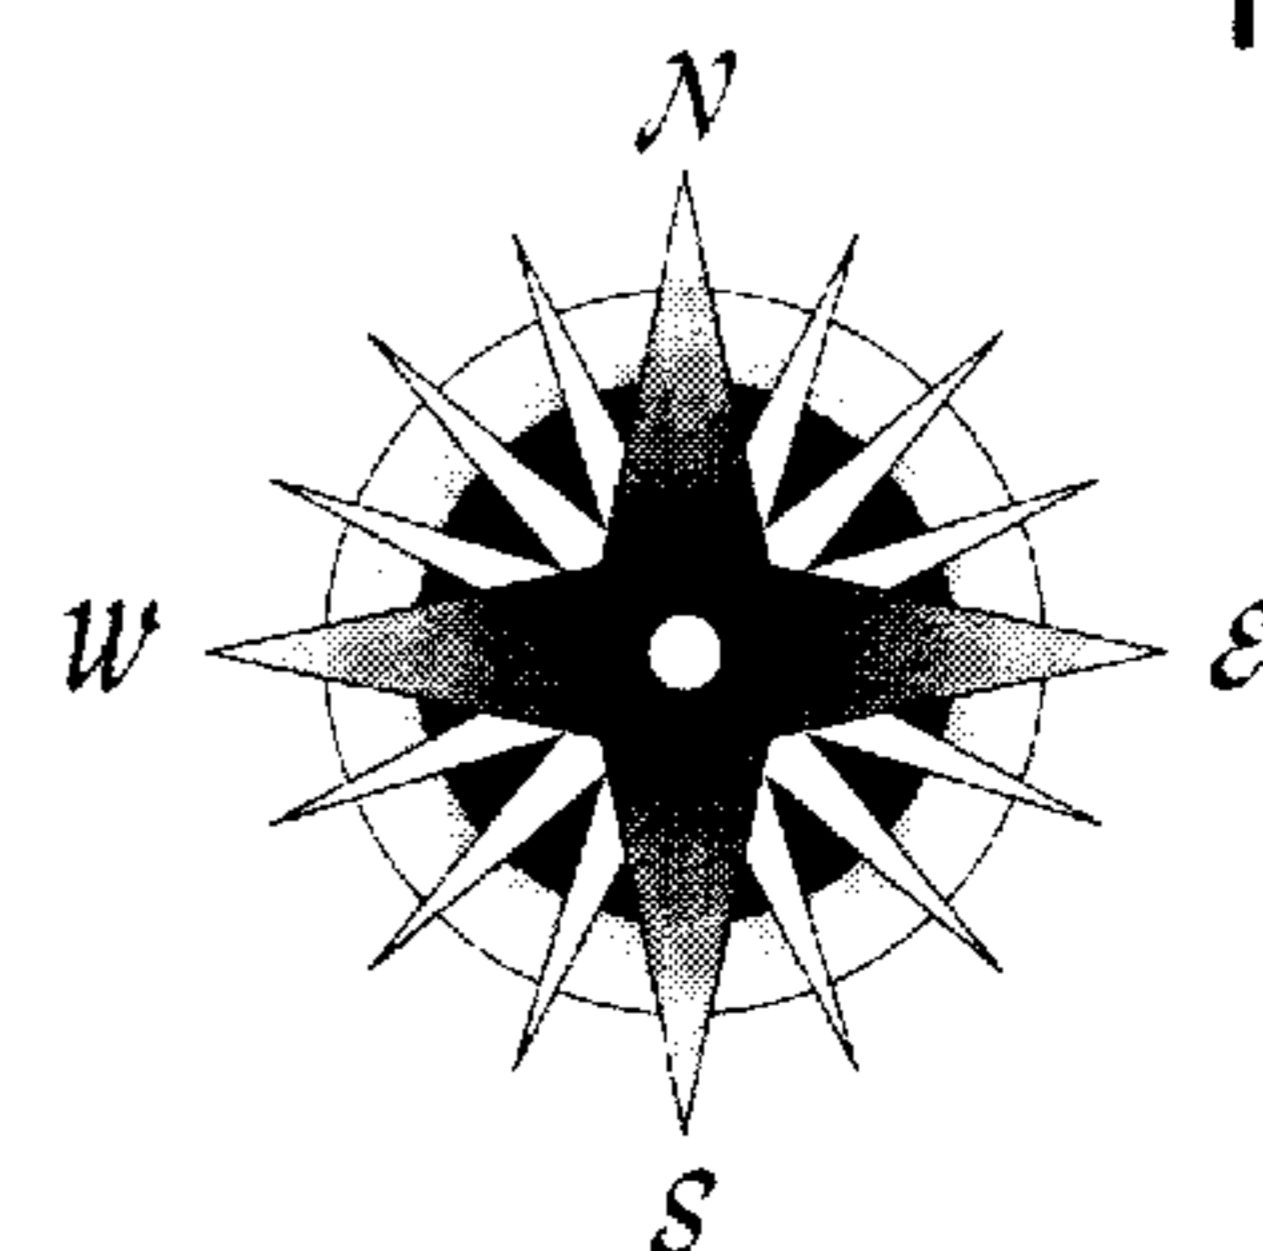

Ship's Log: Read It!

Have you ever kept a journal or a diary? To help me remember information and events, I like to write things down. You can read pages from my Ship's Log throughout this book.

Visit It: See It!

The history of Brighton and Presqu'ile can still be seen today. This compass will let you know where to find out

more about the history of our area.
