

# Friends of Presqu'ile Park

## Student Bursary Nomination Form

**You can help a deserving student working in Presqu'ile Provincial Park and all it will cost is a few minutes of your time.**

As part of the Friends of Presqu'ile's continuing focus on education, we have instituted several student bursaries. A student can only qualify for these if they are nominated by someone else. That is where you come in. We are looking for nominations for these bursaries to reward the efforts of our hardworking student staff and help further their educational goals.

This \$1000 bursary will be open to all student employees of the Park who intend to return to full-time education or trades training in the fall.

The next time you visit the Park, take a look at all the vibrant young people working hard to make your visit a pleasant one. When you see a star performer in action, let us know!

Students can be nominated for their exemplary service and/or excellent work. Anyone who makes that extra effort could be a winner! Nominations can come from the public, coworkers, supervisors, or senior park staff.

An Awards Committee will select the winning candidates and present them with their bursaries before the end of August in time to apply the funds to their fall semester expenses. An extra \$1000 will certainly help pay for books or tools. The boost that comes from having your good work recognized should help when motivation flags during the long school season.

**This completed form can be submitted at either The Park Office or The Lighthouse Interpretive Centre**
