## In An Emergency

### First Aid

First Aid kits are available from all Park Offices and vehicles. In the event that you suspect a drowning or require first aid, please approach any member of our staff. Most staff are trained in basic first aid and can offer assistance with minor cuts and scrapes.

### Lost Persons

If a member of your group becomes lost, contact one of our staff immediately. If the lost person happens to be a child, have someone stay at the exact spot where the child was last seen, and someone else wait at the child's campsite.

### Emergency Telephones

There are emergency telephones on Beach #1 and #3. When you lift the receiver on one of these telephones, an alarm sounds in the Park Office and our emergency response plan goes into effect.
